September 19, 2024

First sentence. Second sentence. Third sentence. Fourth sentence.

1 Introduction

You can and should cross-reference sections and sub-sections. We use R Core Team (2023).

The remainder of this paper is structured as follows. Section 2….

2 Data

And also planes (Figure 1).

Talk way more about it.

*Code and data are available at: LINK.

Figure 1: Relationship between date and marriage

3 Results

4 Discussion

4.1 First discussion point

4.2 Second discussion point

4.3 Third discussion point

4.4 Weaknesses and next steps

Appendix

A Additional data details

B Model details
